

## Eligibility\* Exclusion Criteria

We will not consider proposals that include any of the following exclusion criteria:

- ▶ Programs that reference Alkermes products or product candidates, or seek to measure the impacts of Alkermes products (programs that measure outcomes generally that are not tied to specific treatments may be considered)
- ▶ Individuals or a healthcare professional's private practice, including entities associated with, or controlled by an individual healthcare professional or healthcare professional's private practice
- ▶ Organizations that discriminate on the basis of age, race, sex, religion, sexual orientation or disability
- ▶ Funding for events or programs that have already occurred
- ▶ Political organizations, campaigns or direct lobbying activities
- ▶ Religious organizations or groups whose activities are primarily sectarian in purpose
- ▶ Programs or proposals that supplement an organization's income or offset its expenses in a manner that benefits, directly or indirectly, a healthcare provider's compensation

Alkermes is committed to complying with all applicable regulations and codes pertaining to education grants. Alkermes follows the requirements of the Compliance Program Guidance for Pharmaceutical Manufacturers issued by the Department of Health and Human Services Office of the Inspector General ("OIG Guidelines"), the Pharmaceutical Research and Manufacturers of America Code on Interactions with Healthcare Professionals ("PhRMA Code"), the FDA Guidance to Industry Supported Scientific and Educational Activities, and the Accreditation Council for Continuing Medical Education ("ACCME") Standards for Commercial Support. Alkermes does not provide support for programs that are intended to encourage, induce, or influence any grant recipient to purchase, prescribe, refer, recommend, sell, administer, or arrange for the purchase, sale or recommendation, or formulary placement of any Alkermes' product.
