

Applicant Name:

Application Supplement

NOTE: Please refer to the Pathways Guidance for additional information on completing the application and budget.

1 SUMMARY

1.1 Project Title

Enter a brief title of the project.

1.2 Project Summary

Enter a brief, one-paragraph description of the proposed work. This section should be informative to other persons working in the same or related fields and understandable to the scientifically literate.

1.3 Project Narrative

Enter a brief (3 sentences or less) description of the relevance of this project to the mission of the Ninth Annual Pathways Research Awards® program. This section should be understandable to the public.

Applicant Name:

2 APPLICANT & MENTOR INFORMATION

2.1 Applicant Details

2.1.1 Training and Research Experience

Enter a brief, one-paragraph description of the applicant's training and research experience relevant to this program. Include confirmation that the applicant is within 5 years of initial academic appointment or is a current postdoctoral fellow.

2.1.2 Career Goals

Enter a brief, one-paragraph description of the applicant's career goals and how this program would assist the applicant.

2.1.3 Career Comments

Optional. Enter a brief, one-paragraph description of any difficulties the applicant may have overcome.

2.1.4 Pathways Experience

If this is a resubmission or a prior application that was declined, please address what updates or changes to your application have been made from the initial submission. Please also include what year your original submission was submitted.

2.2 Primary Mentor Details

2.2.1 Name, Appointment, and Affiliation

Name:

Appointment Title:

Institution:

Address:

Telephone:

Email:

2.2.2 Experience in Mentoring Early Career Investigators

Enter a brief, one-paragraph description of the mentor's experience in mentoring early career investigators.

2.2.3 Mentor Experience in the Pathways Program Area of Interest (sleep disorders, schizophrenia, bipolar disorder)

Enter a brief, one-paragraph description of the mentor's experience in the Pathways program area of interest.

Applicant Name:

2.2.4 List the names of any additional mentors the applicant has who would provide support this project.

2.3 Research Environment

Enter a brief, one-paragraph description of the scientific environment in which the research will be done and how this environment will contribute to the success of the project.

Applicant Name:

3. PROJECT INFORMATION (limit 5 pages)

3.2 Project Description

3.2.1 Background and Rationale

Enter a description of the relevant background information for the project and provide the project rationale. Keep references to a minimum.

3.2.2 Objective

In 3 sentences or less, state the objective of the project.

3.2.3 Hypothesis

In 3 sentences or less, state the hypothesis of the project.

3.2.4 Project Design and Methods

Enter a description of the project design, materials, and methods. Include the duration of the project, participants, interventions, procedures, assessments, outcomes, and statistical methods.

3.2.5 Potential Limitations

Enter a description of any potential limitations that you may encounter during the project and any possible approaches to overcome these limitations.

3.2.6 Clinical Application

Enter a brief description of the clinical application/relevancy of the project.

3.2.7 Ethics

Enter a description of any Institutional Review Board and/or Ethics Committee approvals that will be required.

3.2.8 References

List all references cited in the project description. The reference list must be included in the 5-page limit.

Applicant Name:

4. BUDGET INFORMATION

4.1 Budget Justification

Enter a brief, one-paragraph justification of the budget. Confirm that the applicant and/or mentor do NOT have funding for the scope of this project from other sources.

4.2 Additional Support

Enter a brief, one-paragraph description of any other funding, for example in-kind support or institutional support, that will be used to support this project.

4.3 Grant Support

Provide a list of funded and submitted grants on which you are a listed investigator.
